*To inspire action so we PLAN and LEAD in LIFE
to fulfill our callings, serve others, as our best-selves.*

Dr. David Dyson

I shared this wonderful quotation from Mother Teresa with a few family members and friends, which generated replies of "I needed to read that message...." So, I share this meaningful message with you, hoping you feel increased inspiration whether reading it for the first time or as a reminder. May you *Plan and Lead in Life* to fulfill your callings, David

Being Light & Love **-Mother Teresa-**

*People are often unreasonable, illogical, and self centered.
Forgive them anyway.*

*If you are kind, people may accuse you of selfish, ulterior motives.
Be kind anyway.*

*If you are successful, you will win some false friends and some true enemies.
Succeed anyway.*

*If you are honest and frank, people may cheat you.
Be honest and frank anyway.*

*What you spend years building, someone could destroy overnight.
Build anyway.*

*If you find serenity and happiness, they may be jealous.
Be happy anyway.*

*The good you do today, people will often forget tomorrow.
Do good anyway.*

*Give the world the best you have, and it may never be enough.
Give the world the best you've got anyway.*

*You see, in the final analysis, it is between you and God.
It was never between you and them anyway.*

Application: *PLAN (Pray. Listen. Act. Now.)* on what you discern as callings and crystallize your choices in your plan for life. Write one or more ideas from this message you want to act upon and remember in your personal constitution. Read your plan and practice to internalize. --David
